“Loving Learning and Reaching out to All”

05.10.2016

Dear Parents and Carers,

Careers Carousel

Our Y6 pupils will have a Careers Carousel run by Liverpool Compact in our school hall next Wednesday morning 12th October. They will have an opportunity to discuss opportunities and daily working routines with various representatives from many different occupations.

Macmillan Coffee Morning

Many thanks for all of the kind donations for this worthy cause last week. Following an excellent assembly our wonderful Y4 children helped serve their guests and families with delicious cakes. The total of all donations received came to £237.51.

Holiday during term time requests

This is a reminder to all families including those in Reception class that we are not able to authorise any absences for holidays during term time. Children learn most rapidly during their Early Years and time lost there is much more difficult to get back as the children get older.

Phonics

If your child is in any class from Reception to Y2 please take a look at the Phonics videos that have a link from our school website. They are made by the Read Write Inc team and can help you understand how we teach early reading in school as well as give you some ideas on how to help your child make even more rapid progress at home by using these methods. Website address is at the top of this letter.

Parents Evenings reminder

Generally these are set for each class for Wednesday 12th and 19th October this term. Please contact your child's classteacher to make an appointment if you have not already done so.

Yours sincerely,

(Headteacher)

SFVS
