The figures in brackets show the responses for 2016-17. For statement 8 many parents wrote that their child has not experienced being bullied and therefore chose to neither agree nor disagree. Indeed this was even the case for one Y6 response and there are not any recent inwardly mobile pupils in this class. We will encourage the parent/carer who disagreed with statement 8 an opportunity to talk with us about the reason why s/he feels that way.

Thank you to all of our parents who returned the questionnaires. The results clearly show that we have addressed the concerns raised by parents last year. There were many comments from parents which we will post on Class DOJO School Story and add to our website. We are really pleased that you think so highly of Our Lady's Catholic Primary and the whole staff will continue to do their utmost to ensure the richest, best and safest learning environment for your wonderful children.
