<p>WRITING</p> <p>How to draw...</p> <p>Have a look through the pack I've uploaded on dojo and select your favourite picture. Try to follow instructions and learn to draw something new. You might want to do more than one, or you might finish your picture by adding a background.</p>	<p>Dear Parents,</p> <p>Here is an overview of the learning that the children may like to complete over the coming weeks. We are committed to ensuring your child is still learning as much as possible and endeavour to do our absolute best to keep this happening.</p> <p>I will be communicating with you via CLASS DOJO during this time. Regular updates will also appear on our school website www.ourladysprescot.com</p>	<p>MATHS</p> <p>Measurement: Explore ordering objects at home, starting with the tallest to smallest.</p> <p>You could select three of your favourite toys to start with, gradually increasing the number of items to sort as you get more confident.</p> <p>You might also use – strips of paper cut to different lengths, build different towers of different heights or snap spaghetti to different lengths.</p>
<p>DAILY READING</p> <p>Try to read to your child daily. This doesn't need to be a different story every day, go over their favourite stories and read them so they know them inside out.</p>	<p>It is our intention to use our Class Dojo Student Portfolios or Tapestry Journal as the first point of contact for work. You may wish to photograph/video your child completing the activity or type a summary of something they did. Please feel free to upload any other observations you would like to share via these platforms. These suggested activities are not compulsory for Nursery Children.</p>	<p>SUPERHEROES</p> <p>Can you find?</p> <p>Look closely at the picture uploaded to dojo and see if you can find each of the images at the bottom.
