

## Our Lady's Catholic Primary School YEAR 3 HOME LEARNING – Summer Term 1

<p><b><u>WRITING</u></b> Writing tasks will continue to be set which will be linked to many areas of the curriculum. Alongside this I will set specific extended writing pieces from <a href="http://www.literacysshed.com">www.literacysshed.com</a> <a href="http://www.pobble365.com">www.pobble365.com</a> <a href="http://www.talk4writing.co.uk">www.talk4writing.co.uk</a></p>	<p style="text-align: center;">Dear Parents,</p> <p style="text-align: center;">Here is an overview of the learning I would like the children to be completing over the coming weeks. We are committed to ensuring your child is still learning as much as possible and endeavour to do our absolute best to make this happen. I will be communicating with you via CLASS DOJO during this time. Regular updates will also appear on our school website <a href="http://www.ourladysprescot.com">www.ourladysprescot.com</a></p> <p style="text-align: center;">It is our intention to continue to use our Class Dojo Student Portfolios as the first point of contact for work. Children are able to respond with text, files, photos and videos through their Portfolio.</p> <p style="text-align: center;">Kind regards Mrs McCoy</p>		<p><b><u>MATHS</u></b> Our forthcoming topics for maths are: <b>Fractions</b> <b>Money</b> <b>Multiplication and Division.</b> Our daily work will be taken from the White Rose website <a href="http://www.whiterosemaths.com/homelearning/summer-term">www.whiterosemaths.com/homelearning/summer-term</a></p> <p>White Rose have teamed up with the BBC to offer engaging lessons which meet the National Curriculum requirements.</p> <p>There is also a super website called <a href="http://www.iseemaths.com">www.iseemaths.com</a> Each day there is a challenge set and a lesson taught by a primary school teacher. These are very engaging lessons and you may wish your child to do this alongside the White Rose work.</p> <p>I will continue to upload relevant tasks onto Education City. The children also have access to TT Rockstars. There are many other websites which are offering content relevant for your child including: <a href="http://www.tpet.co.uk">www.tpet.co.uk</a> <a href="http://www.twinkl.co.uk">www.twinkl.co.uk</a> <a href="http://www.topmarks.co.uk/maths-games">www.topmarks.co.uk/maths-games</a></p>
<p><b><u>DAILY READING</u></b> There is still an expectation that children will read at least three times a week. This is a great opportunity to read some good books. There are many resources to support reading online including: <a href="http://www.oxfordowl.co.uk">www.oxfordowl.co.uk</a> Our class reading book for this half term is 'Stone Age Boy' by Satoshi Kitamura.</p> <p><b><u>COME AND SEE</u></b> Our current topic is all about Pentecost. Many resources to support our learning can be found on the CAFOD website. <a href="http://www.cafod.org.uk">www.cafod.org.uk</a></p>			<p><b><u>SCIENCE</u></b> <b>Forces and magnets</b> The Learning Objectives covered throughout this topic will assess whether the children can:</p> <p>Compare how things move on different surfaces</p> <p>Notice that some forces need contact between two objects, but magnetic</p>
<p><b><u>SPAG</u></b> <b><u>Education City</u></b> You can log in and sharpen up your skills 3 times a week. <b>Our focus will be:</b> Common and proper nouns.</p> <p>Please also use the Year 3 and Year 4 spelling sheets to help the children to keep going with their spelling practice. I have forwarded a copy of this on DOJO.</p>			

	<p>forces can act at a distance</p> <p>Observe how magnets attract or repel each other and attract some materials and not others describe magnets as having two poles</p>	<ul style="list-style-type: none"> <li>• Recognise that Britain has been invaded by several different groups over time?</li> <li>• Realise that invaders in the past would have fought fiercely, using hand to hand combat?</li> </ul> <p>Work will be set each week in order to meet these objectives and for the children to have a real sense of enjoyment finding out about this period in the past.</p>	
<p><b>ONLINE VIDEO HELP:</b>  MATHS: <a href="http://www.bbc.co.uk/bitesize/subjects/z826n39">www.bbc.co.uk/bitesize/subjects/z826n39</a> has lots of guides to help you.
