DAILY READING

All children now have access to www.readingeggs.co.uk They should login daily and complete a lesson and set assignments. They can spend additional time enjoying the games.

There is still an expectation that children will read at least three times a week.

www.twinkl.co.uk has access to free e-books.

Those children who have a login for All children can access www.oxfordowls.co.uk and select a book to read daily.

Dear Parents,

Here is an overview of the learning I would like the children to be completing over the coming weeks. We are committed to ensuring your child is still learning as much as possible and endeavour to do our absolute best to keep this happen. I will be communicating with you via CLASS DOJO during this time. Regular updates will also appear on our school website www.ourladysprescot.com

It is our intention to use our Class Dojo Student Portfolios as the first point of contact for work. Children are able to respond with text, files, photos and videos through their Portfolio.

Kind regards

Ms Donaghey, Mrs Gittins and Mrs Campbell

You can find a free digital information book for primary school age children to help explain the coronavirus and the measures taken to control it. It answers lots of questions in a child-friendly way, and aims to both inform and reassure.

You may wish to share it with your child.
