

Our Lady's Catholic Primary School YEAR 2 HOME LEARNING Week of 11th May 2020

For additional activities that your child may enjoy please access:

www.bbc.co.uk/bitesize/dailylessons

www.twinkl.co.uk for home learning daily plans which include live phonics sessions.

Talk for WRITING

Find out about a minibeast of your choice and write a report about them including their habitat, what they eat and their life cycle. Make sure you research lots of interesting facts to include in this work. Remember to think about

- Handwriting
- Spelling
- Capital Letters and Full Stops
- Different conjunctions to join your sentences.
- Sub headings
- Different Sentence Types – can you add a question and or an exclamation sentence?

READING COMPREHENSION

Complete the reading comprehension activities set on class story on dojo.

COME AND

SEE

Go to www.cafod.org.uk and watch the animation of Pope Francis' letter to the world.

Complete the colouring activity to create a wall of love.

DAILY READING

All children now have access to www.readingeggs.co.uk They should login daily and complete a lesson and set assignments. They can spend additional time enjoying the games.

There is still an expectation that children will read at least three times a week.

www.twinkl.co.uk has access to free e-books.

Those children who have a login for All children can access www.oxfordowls.co.uk and select a book to read daily.

Dear Parents,

Here is an overview of the learning I would like the children to be completing over the coming weeks. We are committed to ensuring your child is still learning as much as possible and endeavour to do our absolute best to keep this happen. I will be communicating with you via CLASS DOJO during this time. Regular updates will also appear on our school website www.ourladysprescot.com

It is our intention to use our Class Dojo Student Portfolios as the first point of contact for work. Children are able to respond with text, files, photos and videos through their Portfolio.

Kind regards

Ms Donaghey, Mrs Gittins and Mrs Campbell

You can find a free digital information book for primary school age children to help explain the coronavirus and the measures taken to control it. It answers lots of questions in a child-friendly way, and aims to both inform and reassure.

You may wish to share it with your child.
