

# Yearly overview

The yearly overview provides suggested timings for each block of learning, which can be adapted to suit different term dates or other requirements.

|        | Week 1                       | Week 2 | Week 3  | Week 4                                    | Week 5   | Week 6 | Week 7   | Week 8                       | Week 9   | Week 10                      | Week 11           | Week 12                                |
|--------|------------------------------|--------|---|---|--|--------|--|------------------------------|--|------------------------------|-------------------|--|
| Autumn | Number<br><b>Place value</b> |        | Number<br><b>Addition, subtraction, multiplication and division</b> |   |  |        |  | Number<br><b>Fractions A</b> |  | Number<br><b>Fractions B</b> |                   | Measurement<br><b>Converting units</b> |
| Spring | <b>Ratio</b>                 |        | <b>Algebra</b>  |   | Number<br><b>Decimals</b>                          |        | Number<br><b>Fractions, decimals and percentages</b> |                              | Measurement<br><b>Area, perimeter and volume</b> |                              | <b>Statistics</b> |  |
| Summer | Geometry<br><b>Shape</b>     |        |   | Geometry<br><b>Position and direction</b> | Themed projects, consolidation and problem solving |        |  |                              |  |                              |                   |  |
