Mission Statement Document

Loving

Parents/ Staff and Governors

We aim to

- foster a sense of belonging - enabling all stakeholders to have an active role in all aspects of school life.

By

- Creating a welcoming environment for all. With approachable and friendly staff who communicate well with others. We will use letters, newsletters, our website, school assemblies, Class Do Jo, collective worship and daily encounters to ensure this is maintained.

We aim to

- Respect and value ourselves and one another

By

- Ensuring our curriculum supports this through successful teaching of PSHE and SEAL. We will as a Christian community ensure that Religious Education permeates through all that we seek to achieve on a daily basis. Behaviour management techniques will be used to support children in valuing themselves and others. Our school policies will continue to support this.

We aim to

- Nurture positive relations

By

- Providing strong pastoral care for our school community. We will continue to look for ways to build on our parent partnership in order to nurture positive relations. RSE, SEAL, PSHE and a good level of communication will be used.
